METAL BUILDINGS
For Everyday Use

DirectFrame
BUILDING SOLUTIONS

BUILT TO PROTECT
Keep tools, vehicles, equipment, and personal items safe from the elements.

FLEXIBLE SIZES & LAYOUTS
Choose the footprint, door placement, and interior space that fits your property.

FAST INSTALL & COST-EFFICIENT
Lower build costs with long-term durability and value. Lightweight components make assembly quick and efficient.

LOW MAINTENANCE
Steel framing resists pests, rot, and warping—ideal for backyard or secondary structures.
